

New Jersey

How Can You Prepare for a Terrorist Attack?

Terrorists will attack again in America. ***There could be possible targets within New Jersey.*** You should be ready – where you live, where you work, and where you travel. If you haven't already done so, now is the time to prepare.

Make a Plan.

- Post emergency telephone numbers by phones. Teach children how and when to call 911.
- Review how and when to turn off the water, gas, and electricity.
- Maintain fire extinguishers. Install smoke detectors.
- Prepare a family communications plan.
- Determine escape routes from your home and job. Establish an alternate family meeting place should you not be able to return to your home.
- Practice and maintain your plan.

Pack a Kit.

- Three-day supply of water (one gallon per person per day).
- Food that won't spoil.
- One change of clothing and footwear per person.
- One blanket or sleeping bag per person.
- A first-aid kit that includes your family's prescription medications.
- An extra set of car keys and a credit card, cash, or traveler's checks.
- Flashlight, battery-powered radio, extra batteries, and emergency tools.
- Special medicines or items for infant, elderly, or disabled family members.
- Important family documents kept in a waterproof container.
- An extra pair of glasses and/or contact lenses.
